Subject: Remaining tech memos before LTCPU report submission

Doug –

Attached are the remaining tech memos related to the development of the LTCPU. As stated in the meeting, the submission of the LTCPU document will be in early August. If you have any questions, please feel free to give me a call.

Also, on Thursday the 5-day letter was sent via certified mail. Attached is a PDF for your records.

Thanks,
Erin Bevis-Carver, P.E.
